Supreme® Shingles

Supreme® three-tab shingles—a smart choice when you need to balance curb appeal, weather resistance and value. *Supreme* shingles come with a 25-Year Limited Warranty*, 60-MPH Wind Resistance Limited Warranty*, and Class A UL Fire Resistance—the industry's highest. StreakGuard™ Protection with a 10-year Algae Resistance Limited Warranty is also available on a regional basis. Visit owenscorning.com/roofing to learn more.

ENERGY STAR® is for roofs too

Similar to the energy-efficient appliances in your home, roofing products can help provide energy-saving qualities. Owens Corning® *Supreme* roofing shingles in Shasta White can help reduce your heating and cooling bills when installed properly. These shingles reflect solar energy, helping to decrease the amount of heat transferred to a home's interior—and the amount of air conditioning needed to keep it comfortable. Actual savings will vary based on geographic location and individual building characteristics. Call 1-800-GET-PINK® or 1-888-STAR-YES for more information.
